What is a Community Foundation?

A Community Foundation is a tax-exempt, non-profit Public Foundation. It operates as a Registered Charity that distributes funds to other charities.

175 Community Foundations across Canada manage more than \$3 billion in charitable endowment funds for individuals, families and organizations.

Donated funds are invested long-term, and only the earned income is disbursed annually to other charities.

The Deep River and District Community Foundation

The DRDCF was established in 2002 to ensure a consistent source of funds for providing long-term benefits to the local community.

A nine-member volunteer Board of Directors meets monthly.

Funds are disbursed in the broad areas of Social Services, Health, the Environment, Education, Arts and Culture, and Community Events and Facilities.

The DRDCF Community includes Deep River, Laurentian Hills, the United Townships of Head, Clara and Maria, and Rapides des Joachims.

Deep River and District

COMMUNITY FOUNDATION

giving back

Imagine

Imagine...

That our area had a reliable source of funds, growing all the time, to use in improving all aspects of our lives, year after year.

Imagine...

How much more would accumulate if **each** household in North Renfrew invested \$100 this year in the Community Foundation.

The Community Foundation is asking you to consider investing in your area by contributing to the endowment of the DRDCF.

Why Invest in the Area?

Tax money alone will not keep our community unique and vibrant in current economic conditions.

The DRDCF distributes the earnings from your donations straight back into your community, enhancing and maintaining the quality of life in the community.

Riverbank Terrace, partly funded by DRDCF

This community support system has been operating for the past ten years, and can continue almost indefinitely if the Foundation's base assets increase from the current **\$650,000 to \$1 million.**

Deserving charities and groups in the communities of Laurentian Hills, Head Clara and Maria, Rapides des Joachims, and Deep River will thus benefit from your generosity.

We will reach \$1 million when each person decides to give back to the community through pledges to the DRDCF. **No amount is too small.**

For a history of the DRDCF's charitable work, visit our website: <http://drdcf.ncf.ca>
